

Avani – Character Profile

Core Identity

Avani is an idealistic Political Science undergrad at the University of Toronto who transforms from quiet fact-checker into campus rebel leader once she uncovers digital influence ops targeting student forums.

Academic Competency

- **Expert Researcher**

Masters primary-source verification and data triangulation.

- **Tech-Savvy Operator**

Fluent with secure comms tools, encrypted USB drops, and social-media APIs.

- **Natural Organizer**

Launches teach-ins and coordinates student actions with quiet authority.

- **VSI Educational Sponsorship**

Awarded full U of T tuition **plus** a \$20 000 CAD annual bursary after the S8 finale whistle-blow, cementing her “insider” status.

Personality Contradictions (Human Layer)

- **Idealist vs. Realist**

Dreams of systemic transparency but learns brutal lessons about real-world power as her government is called out for guiding education towards concerning directions.

- **Introvert vs. Activist**

Thrives in solitary research binges yet commands attention during public protests.

- **Academic Caution vs. Urgent Action**

Spends hours vetting sources, then makes split-second calls when lives and narratives are on the line.

Activism Methodology & Tools

- **Digital Sleuthing**

Crafts “glitch-post” fact-check threads that draw campus interest.

- **Teach-Ins & Rallies**

Designs slide decks that blend hard data with emotional appeal.

- **Underground Comms**

Bypasses surveillance with encrypted drives and peer-to-peer mesh networks.

- **Active Protest and resistance**

Present at most protests seen near her character, often figuring out what is going on and how she can help with Liam.

Digital Fatigue & Stress Management

- **All-Nighter Vulnerability**

Prone to screen exhaustion—recharges with weekend hikes along the Don Valley.

- **Analog Journaling**

Keeps a hand-written notebook of quotes and leads to clear her mind between ops.

Dynamic with Liam

- **Roommate & Skeptic Turned Ally**

His data-driven pragmatism balances her passion; her vision draws him from doubt into the resistance cell.

- **Trust Under Fire**

Shared secrets forge unbreakable bonds—but every leak puts their friendship (and freedom) at risk.
